Cancellation Policy

We understand that there are times when illness and unavoidable personal issues arise that make it impossible for a patient to keep an appointment. Under those circumstances, we request that you call as soon as possible to let us know. We will reschedule the appointment for the next available timeframe, which may be delayed due to scheduling constraints.

The following policy applies to missed (no show) appointments, which negatively influence scheduling opportunities for other patients and which have financial impact for the practice.

- **First missed appointment:** Letter to patient describing our policy
- **Second missed appointment:** Letter informing patient that a \$50 missed appointment charge will be applied to their account
- **Third missed appointment:** possible dismissal from the practice

Please help us and fellow patients by honoring your appointment.
